

Cordis Briefing Subscription

Yes please! Sign me up for a subscription to the Cordis Briefing

Full year subscription: £1,350 plus VAT.
In return you will receive:

- Access to four Briefings each year, which focus on issues affecting providers of adult social care services.
- Two people from your organisation to attend each Briefing. These can be the same people each time, or different people – just let us know the names in advance. Occasionally we can even offer more spaces at no extra charge. See the small print for more details.
- In addition, we are happy to send you PowerPoint slides if you need this for use inside your organisation - all we ask is that you credit Cordis Bright in your presentation.

To join the briefing, please send the following information to info@cordisbright.co.uk

As with all Cordis Bright services, the Briefing is covered by our Service Guarantee. If, after attending two Briefings you decide that the service is not for you, we will refund your entire subscription.
